Success in Service

India's most comprehensive Shipping & Logistics Solution Network

Samsara Group

Success in Service

ISO 9001:2015 Certified Company

Samsara commenced its operations in India in the year 1996.

With our core competencies fully focused on the business of shipping, we enjoy the enviable distinction of being a trendsetter in the industry.

We are also recognized as one of the youngest companies to establish a nationwide network of offices in a very short time. With a service portfolio that encompasses shipping, rail movements, CFS, ICDs and terminals and the entire logistics, we have created value driven, customer centric solutions.

With a network of strategic self owned offices, extensive market know how and a team of informed professionals, We offer world class end to end supply chain solutions.

**“ A customer is the most important visitor on our premises.
He is not dependent on us. We are dependent on him.
He is not an interruption in our work.
He is the purpose of it.
He is not an outsider in our business. He is part of it.
We are not doing him a favor by serving him.
He is doing us a favor by giving us an opportunity to do so.”**
