

**Mr. P.C. Choubey**  
**Executive Director**  
**SERPL, Indian Oil Corporation Limited**

P.C. Choubey heads South-Eastern Region of Pipelines Division having geographical jurisdiction in the states of Odisha, Chhattisgarh, Jharkhand, Andhra Pradesh and Telangana. He is in-charge for the operation of 1570km cross-country pipeline network of crude oil, petroleum products & LPG. He is also responsible for construction management of upcoming pipeline projects in the Region, viz. Paradip-Hyderabad Pipeline, and Paradip-Dhamra-Haldia LNG Pipeline.

He is a Mechanical Engineer, and joined Indian Oil in the year 1984. He was instrumental in leading from the front to create offshore SPM terminal at Paradip, which has the distinction of biggest Pipeline End Manifold in the world. He also steered successful commissioning of Paradip-Raipur-Ranchi Product Pipeline and Paradip-Haldia section of Paradip-Haldia-Durgapur LPG Pipeline.
